Mostly Mutts Animal Rescue will be participating in the annual GAGives Campaign during the month of November. This important initiative is led by the Georgia Center for Nonprofits, who hosts an online fundraising platform, www.Gagives.org, for 501c3 organizations in the state of Georgia. Our campaign theme is, "A Dog's Journey Home."

"We strive to meet our \$30,000 fundraising goal this year through the generous support of people who are passionate about animal rescue. Our vision remains resolute to continue saving dogs and cats who have found themselves homeless for a variety of reasons. We commit to provide whatever care is needed to give them a second chance to live as a beloved pet," says Tammy Turley, Executive Director.

Donations to Mostly Mutts can be made on the GaGives site all month however, November 30 is "Giving Tuesday", when participating corporations and foundations offer additional prize money and matching donations for individual contributions to your selected organization made on that specific day. We hope that you will donate generously to help breathe new life into the furry victims of neglect, cruelty and abandonment.

Mostly Mutts strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new "forever home."

Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.
