## **MOSTLY MUTTS ANIMAL RESCUE HOSTS BOOK SIGNING EVENT FEATURING THREE LOCAL AUTHORS OF DOG-THEMED BOOKS**

KENNESAW – How often can you meet three notable authors in one place? The Mostly Mutts Animal Rescue book signing event is a wonderful opportunity to get to know these Georgia-based writers, who are generously donating part of their sales back to Mostly Mutts.

The book signing will take place at 2700 Town Center Drive, Suite 124 (same shopping center as Longhorn Steak House) on Saturday, March 25 from 11:00 am to 1:00 pm.

“Beyond the Fur,” by Tammy Billups, is a book which decodes our animals’ behaviors and physical issues, and reveals a tools we can use to help our beloved companions feel more peace, joy, and well-being. This book is a valuable guide to understanding the many levels of the animal-human emotional & spiritual bond. <http://tammybillups.com/>

“Roxy the Roxstar,” by Trish Greenlee, is a true heartwarming story of a mother dog and her puppies who were saved and rescued. Roxy’s journey from abandonment to an exciting world as a national disc champion is filled with ups and downs. It makes us realize that life is a wonderful gift to share. Roxy was adopted from Mostly Mutts! <http://www.roxytheroxstar.com/>

“The Riley Carson Series,” by Megan Wargula, is a middle-grade adventure novel set, which touches on important topics concerning dog ownership and compassion. She tells a well-crafted story about neighborhood kids, who go on a path of discovery and learn lessons along the way. <https://books.google.com/books?isbn=0997380705>

All of these books make great gifts, and especially a signed, dedicated copy. This is an extraordinary opportunity for aspiring writers and animal lovers of all ages to meet these great authors, who will be presenting their books and answering questions about their work.

*Mostly Mutts strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new “forever home.”*  
**Since 2004, Mostly Mutts has saved approximately 6,500 animals.**

*Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.*
