Mostly Mutts strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new “forever home.”

Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.
