MOSTLY MUTTS ANIMAL RESCUE PLANS EVENT AROUND RECENTLY AWARDED SUBARU/ASPCA GRANT

Mostly Mutts Animal Rescue was awarded an ASPCA/Subaru grant for their Make a Dogs Day campaign throughout October. Their generous funding will help us prepare more homeless animals for adoption by providing spay/neuters, testing, vaccinations, collars and name tags. We were also awarded an additional incentive for each dog and cat adopted in the month of October. Goody bags will also be provided by Subaru for newly adopted pets.

Subaru of Kennesaw will bring one of their vehicles to our shelter at 3238 Cherokee Street, Kennesaw, on Saturday, October 23, between 11 AM – 3PM to celebrate SUBURU ADOPTIONS SATURDAY. There will be prizes and fun for all and everyone is welcome to meet our adoptable pets and check out one of their beautiful cars.

“We are honored to be selected once again, as a grant recipient by ASPCA/Subaru,” says Tammy Turley, Executive Director. “This financial award will help us continue the best of care for our rescues and provide treatments, medications and procedures to save more lives.”

Mostly Mutts strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new “forever home.”

Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.
