## **MOSTLY MUTTS ANIMAL RESCUE RECEIVES GRANT TO BENEFIT SENIOR DOGS**

Kennesaw, GA—Old dogs have something to wag about this summer, as The Grey Muzzle Organization announces the recipients of its annual grants, and dogs at Mostly Mutts Animal Rescue & Adoption are among the winners.

Mostly Mutts Animal Rescue & Adoption in Kennesaw is one of 64 animal welfare groups chosen from 288 applicants to receive a grant to help local senior dogs.

“This grant will help us give senior rescues with badly neglected teeth the dental care needed to improve their health and find them forever homes,” said Tammy Turley of Mostly Mutts. “No one is more grateful or loving than an old dog, and we’re looking forward to helping more senior dogs get the second chance they all deserve.”

Over the past 12 years, the national nonprofit Grey Muzzle Organization has provided \$2.5 million in grants to support its vision of “a world where no old dog dies alone and afraid.”

“Thanks to the generosity of our donors, we’re delighted to help deserving organizations like Mostly Mutts make a difference in the lives of dogs and people in their communities,” Grey Muzzle’s Executive Director Lisa Lunghofer said. “Many senior dogs in the greater Atlanta metro area are enjoying their golden years in loving homes thanks to the wonderful work of Mostly Mutts.”

Since 2004, Mostly Mutts Animal Rescue has been working to reduce the number of animals euthanized at local shelters in metro Atlanta. We work closely with animal control officers to save adoptable dogs that are often moments away from being put to sleep. Often, these dogs are sick and injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to them until they can be placed in a new home.
