MOSTLY MUTTS FEATURED IN NATIONAL PUBLICATION “OUT HERE MAGAZINE” AND HOSTS EVENTS AT LOCAL TRACTOR SUPPLY COMPANY LOCATIONS

KENNESAW – Selected among rescue groups nationwide, Mostly Mutts Animal Rescue is the featured cover story in the Fall edition of Tractor Supply Company’s “Out Here Magazine.” This free publication is distributed at over 1,700 stores in 49 states and will be available starting this weekend.

In appreciation of Tractor Supply Company and this article, Mostly Mutts will be hosting events at the Tractor Supply Company stores in Cartersville and Canton on August 18 and 19 between 12:00 – 3:00 pm. On Saturday, August 18, you can meet Roxy the Roxstar at the Cartersville store. Roxy was rescued from Mostly Mutts in 2007 and later became a disc dog champion. Roxy is featured in the “Out Here” magazine article, and author Trish Greenlee will be signing copies of her children’s book “Roxy the Roxstar” with 50% of sales benefit Mostly Mutts. On Sunday, August 19, meet representatives of Mostly Mutts and one of the adoptable dogs at the Canton store between 12:00 – 3:00 pm. There will also be raffles at both events.

“We are so honored and excited to be the feature story in “Out Here Magazine”. We enjoyed meeting the editorial team that visited us from Nashville in May when they came to learn more about our mission and photograph our adoptable animals and volunteers”, said Tammy Turley, Executive Director. “We look forward to meeting many of the local Tractor Supply Company’s customers on August 18 and 19.”

Mostly Mutts strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new “forever home.”

Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.
