There will also be a police dog demonstration courtesy of Cobb K9 Unit.

The Art Station and Mostly Mutts invite the community to come out and support these artists while helping some of our four-legged friends find a forever home.

“This has turned into a great recurring event for fall and the support from artists and the community is wonderful. We hope to see art lovers and dog lovers come together to support our mission for this year’s show”, said Tammy Turley, Executive Director of Mostly Mutts.

**The Art Station - Big Shanty**, or TAS is an art facility of Cobb County PARKS. The historic facility, originally built as a summer home for the Rooker family, houses three multi-media classrooms, a pottery studio, meeting space, and gallery space which allow TAS to provide the community with opportunities in the arts through classes, camps, and gallery shows. From wood burning to guitar lessons The Art Station offers creative experiences to all ages and interests.

**Mostly Mutts Animal Rescue and Adoption** strives to reduce the number of animals euthanized at local shelters in Metro Atlanta by working with animal control officers to save adoptable dogs that are moments away from being put to sleep. Often, these dogs are sick, injured and require rehabilitation. Mostly Mutts provides housing, health care, training, and physical and emotional care to these rescued animals until they can be placed in a new "forever home." Mostly Mutts is a 501(c) (3) non-profit organization, licensed by the Dept. of Agriculture and staffed by volunteers. It is privately funded through donations and adoption fees.
